Plum Creek Watershed Partnership Steering Committee (SC) Meeting

Zoom

Thursday, June 24, 2021

10:00

Notes

- Christina welcomed the SC members and asked that they sign in via Google Sheets
- A brief overview of the agenda was given
- SC members introduced themselves
 - Members present: Chris Betz (Uhland), Elizabeth Edgerton (GBRA), Emily Jarratt (TSSWCB), Hoppy Haden (Caldwell County), Blake Neffendorf (Buda), Kathy Roecker (Kyle), Oscar Folge (Landowner), Tim Auld (Landowner)
- Presentation included WC updates:
 - Feral Hog Task Force – grant program and 3 collection dates over the summer
 - Rain Garden – needs maintenance, partnering with Keep Lockhart Beautiful
 - Online ATU course – available for Hays County homeowners
 - In the works: new social media (Instagram) and newsletter with a survey
- SC Updates:
 - City of Kyle WWTF is on schedule for completion March 2022.
 - City of Buda WWTF is on schedule for completion this September.
 - GBRA's aquatic life monitoring survey found 5 native mussels, which is good news as mussels are bioindicators of clean water.
 - GBRA acquired Sunfield WWTF.
- Discussed next meeting may be hybrid, depending on the facility
