

Texas

WATERSHED STEWARD

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**New Braunfels, TX
February 24, 2026
1:00 p.m.—5:00 p.m.**

**New Braunfels City Hall
550 Landa Street, New Braunfels, TX 78130**

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Geronimo and Alligator Creeks watersheds. Best management practices local stakeholders may use to help improve and protect their water quality will be highlighted. Free continuing education credits/CEUs are offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.
